## EDITORIAL

Feast Week has been very different this year with no fair and all our usual community events cancelled. It is all about staying safe and limiting the risk of spreading COVID-19 and we very much hope that the 2021 Feast Week will be back to near normal. We did however still have the front garden and scarecrow competitions and this year the Parish Council sponsored a best kept allotment competition – *see page 3 for all the results.*

It has been great to see more of our local businesses, pubs and services opening up and move towards a new normal. HOWEVER, we still have a long way to go and as we go to print, there are serious concerns about coronavirus bouncing back and we risk a return of some of the earlier lockdown controls. All of us need to apply common sense and act responsibly so that we each stay safe and ensure that we do not put others at risk

## GENERAL NEWS

### From the Parish Council

Meetings of the Council resumed in July and will continue on their scheduled day of the second Monday of the month at 7.00 p.m. They will take place at the Parish Centre unless there are further interruptions caused by the pandemic.

**The Parish Centre** has re-opened, but use is restricted primarily to the main hall with a capacity of 20 people and limited activities to ensure that social distancing rules can be complied with. Only very small gatherings will be permitted in the meeting room.

The **playgrounds** are proving popular now that they are re-opened. Unfortunately, it's noticeable that not everyone is complying with the guidance notes on the entrance gates and website when using the playgrounds. These are designed for your safety and the safety of others to comply with the Government's guidance. Use of playgrounds cannot be risk free from Covid-19 but the guidance notes are intended to minimise that risk as much as practicable so please -

- If the playground is busy, consider returning later
- Limit groups to no more than 6 people and 1 child on each piece of equipment at a time
- Maintain social distancing
- Use sanitiser or wipes to clean children's hands before and after use.
- Clean surfaces before and after use, essential if clinically vulnerable
- Avoid touching your face
- Dispose of waste in the bins provided or preferably take your rubbish home
- No food or drink allowed
- Don't use the playground if displaying signs or symptoms of coronavirus
- Children's clothes should be washed when returning home

Following the invitation of quotations, the Council has appointed a firm of architects to design a **replacement for the Parish Centre** which will be located on the site of the existing Centre car park. A consultation exercise will be undertaken in the coming months to obtain the views of the community on the design.

It had been hoped that the **75<sup>th</sup> anniversary of VJ Day** on 15 August could be commemorated more fully than was possible for VE Day 75 but the ongoing restrictions on social distancing has meant that this will also be limited primarily to recordings on the Council's website and facebook accounts.

Roy Reeves, the Clerk can be contacted at **clerk@warboysparishcouncil.co.uk** or 01487 823562

### Warboys Library

***Will reopen on Tuesday 4 August 10am to 2pm.  
The reduced opening hours will be Tuesdays  
10am-2pm and Thursdays 2-6pm.***

#### Using the library

It isn't possible to freely browse the shelves at the moment. Books can be borrowed using our new Select and Collect Service or by placing a reservation on a specific title. You can choose titles according to your preferences (e.g. genre, fiction, non-fiction, talking books, children's books etc.) and then collect them from any of the open libraries. We encourage all our customers to wear face masks and have hand sanitizer freely available for their use.

- To reserve a specific title or to order a book using the Select and Collect service visit <https://www.cambridgeshire.gov.uk/residents/libraries-leisure-culture/libraries> or call the Customer Service Centre on 0345 045 5225. Both services are completely free to use at present. Customers will be notified when their books are ready to collect.
- Return items at any open library
- Our IT facilities are back up and available for 45 minute customer appointments which can be made over the phone via the Customer Service Centre or online.
- Printing facility- exact cash only, card payments at Cambridge Central, Huntingdon and Wisbech libraries

Whilst it's great to have our libraries open again, we appreciate that it is still short of the full offer customers are used to. We are keeping things under continual review and will resume the full service as soon as it is possible to do so safely. *See also page 6* for more about the Library at Home.

We have also started to offer online Storytime and Rhymetime. Do tune in and you will see some familiar library faces! Staff are also taking to the internet with online craft sessions for children.

## FEAST WEEK COMPETITION RESULTS

### BEST KEPT FRONT GARDEN – sponsored by Warboys Community Association and Warboys Parish Council

We had 16 entries this year and our gardeners came from all around the village. Friday 31 July, lovely and very warm, was judging day. Armed with clipboard and scoring criteria, sheets, our judge had a glorious morning looking at many bright and beautiful, neat and tidy front gardens, and having the unenviable task of judging for the top three places.

**Overall Winner:** Frances Dykstra, 2 Ramsey Road – this garden had a fantastic display of interesting and slightly different plantings that had a real wow factor.

**Joint Runners-up:** whilst these two gardens are very different, it was not possible to separate them.

- Margaret Richardson, 10 Station Road – this garden featured an immaculate lawn and the planting and associated colours worked very well. There was a nice use of logs and bird table to help support the wildlife.
- Monika Barter. 36b Mill Green - the colour matching throughout the garden using plants, pots and painted wood was excellent. Nice use of lavender to attract insects and fill spaces.

Thank you to everyone who entered, the judge had a hard mornings task. So, please keep enjoying and working on your gardens and we hope you will support the best front garden competition next year.

### OPEN KEYWORKER SCARECROW COMPETITION

Sponsored by Warboys Community Association

We had eight entries this year and all were very imaginative and quite different. The winner was determined by a public vote and after all the paper, emailed and facebook poll votes had been counted (149 in total)

**Winner: Policeman with witch - Darren Mayes, 89 Station Road**

**Runner-up: Paramedic – George Salter, 99 Orchard Close**

**Highly Commended;** Dr Simon Duke & Bert the Bin Man

Well done to everyone who entered – it was a pleasure walking around to view them all

### ALLOTMENT COMPETITION

Sponsored by Warboys Parish Council

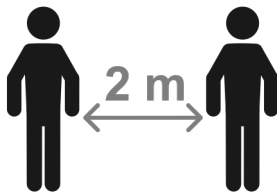

All allotments were automatically entered – there are currently 50 plots, with some sub-divided into half plots. The current year has seen an increase in popularity, accentuated by the pandemic lockdown in March, and there are now only 1 full and 1 half plot vacant.

Our judges had a gentle early evening stroll around the allotments on the Thursday of Feast Week. There was much to admire and commend, particularly in terms of the incredible amount of work involved in maintaining an allotment, but the rewards can be great.

The judges had a tough time reaching a decision. The **overall winner was Plot 42** (Jan Edwards). **Runner-up was Plot 7** (Ray Tatt). The judges ended up awarding joint third place to **Plots 13** (R Broughtwood) and **Plot 32** (Mrs P Wileman).

Congratulations to the prize winners and well done to everyone who battles with the challenges and joys of being an allotment holder.

### NEW HEALTH CAMPAIGN

The brand-new Better Health webpage has been launched. It provides tools to help people manage their weight loss – from checking their BMI, to getting access to free support tools including the NHS 12-week weight loss plan. The NHS 12-week weight loss plan, available via a new app, promotes evidence based safe and sustainable weight loss. It helps users to make healthier choices, by providing the most up to date evidence based healthy eating and physical activity advice in a magazine format that enables them to keep track of their calorie intake, portions of fruit and veg, physical activity level and teaches skills to prevent weight gain.

Alongside the free NHS 12-week plan, PHE is also working with a number of well-known weight management providers that will be offering exclusive discounts across their weight loss programmes. Partners include WW Weight Watchers reimagined, Slimming World and Get Slim, get healthy. For full details of these offers and to find out about other Better Health partners, please visit

### Message from the Moat House Surgery

We would like to thank our patients for their ongoing support in these unprecedented times. It remains a challenging time for everyone providing healthcare and all our appointments will continue to be 'remote by default'. All **initial consultations** will be with a GP or Nurse by telephone, if the clinician feels you need to be seen then they will invite you for a face to face appointment either at the surgery or by video link. We would respectfully like to remind patients that when attending the surgery for appointments you do not bring any additional family members unless they are needed for support or care.

We are following government guidelines in relation to **face coverings** and ask that when entering the surgery, a face covering/mask is worn. WADS kindly donated some of their face masks, so we are able to give these to those patients who don't have a covering (whilst stocks last). We would like to say a big thank you to WADS for making these for us.

We will be having an **extended flu campaign this year** – it will be different to previous years and we are currently in the process of working out the best way to provide this to the extended target group of around 3500 of our patients. We hope to start the flu vaccinations in mid to late September (depending on when the vaccines are available) and will aim to have everyone vaccinated if possible, by the end of the year. We will be sending appointment letters out but if you haven't received one by mid-September please contact the surgery. We would be grateful if you would arrive as close as possible to your appointment time, with your arm ready to be immunised (minimal layers of clothing and sleeves easily rolled to the shoulder). There will be information on the Childrens' Flu Campaign in the next Diary.

## COMMUNITY GROUP UPDATES

### Warboys Amateur Dramatics Mask-r-Aid update

In the middle of May "For the love of Scrubs" started to make face masks for farm workers and the elderly in Ramsey. WADS wanted to support the villagers of Warboys just as they have supported WADS over the last 30 years. They decided to make masks/face coverings and donate these freely to the vulnerable and shielding in the village. Sara our costume designer and maker did lots of research to ensure the coverings met recommended safety and design standards and then our machinists, Sara, Beryl, Lissa, Manda and Eden began production.

We were secretly aiming for making 500 masks. By 4 June we had reached 1000 and then we opened up our offer to anyone who needed a mask. We ended up delivering to Wistow, Broughton, Old Hurst and even Pidley! Four masks even got posted to Hunstanton.

We delivered masks to the surgery, the dentist, Wards the Chemist, Windmill Bakery, Spar, De Ramsey and Ashleigh Courts and the Baptist Church. All donations received were used to buy elastic and filters. On the 19 July our production line finally ceased, and our **final total was 2450 masks**. We have compiled two folders full of thank you messages and cards from you all.

I (Andrea, WADS Chair) personally thank my machinists and everyone who made a donation

It has been great to see our masks around the village! I hope you are all getting in the habit of

tucking that mask in your handbag or pocket whenever you leave the home. Leave one in the car. **Stay safe and take care, from WADS.**

### General Community Group Update

*The Community Association met towards the end of July (by Zoom). Most groups reported they have largely written off 2020, but are turning their attention to what might be possible in 2021. Clearly at the moment the future remains uncertain, but we hope to be able to start building the 2021 events calendar*

### Christmas Lighting Group

As the COVID-19 lockdown eases a bit, the Warboys Christmas Lighting Group have continued to plan for the village lights this coming festive season that should provide some real cheer as we go into Christmas. As expected, fund raising activities have been severely limited such that the group has not been able to procure any new or additional displays. However, licence applications for the High St lighting column displays have been approved and we should also be able to buy a Christmas tree for the Weir, with help from Warboys Community Association.

Given the current restrictions, plans for the popular grand switch-on event are currently under review. We will of course publish any event plans as soon as we are able. The Warboys Christmas Lighting Group have a Just Giving page if you would like to help

## MORE COMPETITION STUFF

### WADS 500-word competition result – Adults

#### Alice's Warboys – written by Sam Lee

*This is my village. This is where I began, and this is where I ended. I was just a simple old woman, trying to make a living. I was wise, and I knew the order of things. I made potions from the plants I found in the hedgerows to help people with their ailments. I was poor and I was old when I was driven out of my home, my village and killed.*

*I was no great beauty, some feared me. Some say the way I looked frightened the children. Some say that my witch – like looks gave them bad dreams. But I was old, life was not easy, and I aged. I was what they said, a wizened old hag, who wore a black shaggy cap. I had lumps and bumps upon my body, signs of the devil, they said. But they were just signs of being old and having lived a life. I tried my best to help people, we all had problems, illnesses, and hunger. I was a rare thing, I lived long enough to become old.*

*But I am still here. If you look, you can see my signs everywhere. Me, a poor woman, remembered by this village. Much time has passed since I left this mortal place. I still roam here. I drift over the same hedgerows and fields that I wandered through then. I sit by the village pond, you call it the weir now. The pond, the centre of village life for so long. So much good happened here. So much happiness. People proclaimed their faith and got baptised here.*

*I look up and see witch symbols on the village sign. This is how you remember me. I see my image on a poster in a shop window.*

*I drift further down the High St. I see my image at the primary school. I had children. My daughter, Agnes also died because of what people believed about me.*

*A car passes, it has a bumper sticker of a witch on it. I hear the shouts, people are playing football "Come on you Witches." People still remember.*

*I reach the clock tower. A beautiful landmark in memory of a great woman. No, not me, Queen Victoria, although my image proudly sits on top of this, in the form of a weather vane. I am honoured to be remembered in the same way as a great Queen.*

*My beautiful village, my home has seen so many things over the years. Much of what was there when I was is long gone. Fire, famine and plague to name just a few events. But so much good too. Beautiful buildings replaced our old shacks. Warboys is a good place now. Residents now are not persecuted as I was. Warboys is my happy place.*

*Warboys will always be my home. I am Alice Samuel, the alleged witch of Warboys. I am grateful that my memory is still here, in this place.*

Here as promised is the announcement of the winner from the adult entries. The final result went to the writer of Alice's Warboys, but the judges awarded a **highly commended award to Angela Wyatt** for her very cleverly written poem "A Tour of Warboys".

Well done to Sam Lee for this terrific piece of writing, which includes past history and the present day from a third person's point of view. WADS will be in touch with all winners nearer the time of the next Pantomime...we will inform you all as soon as we know when it is practically possible to perform again.... we have our fingers crossed for next Easter

#### Update on the children's Sunflower competition

Here is your last update before the competition finishes. Judging will take place between the 24 and 29 August.

**All those who have taken part:** please measure your sunflower and email the measurement with your name, address and telephone number so the judge can match up your entry form with the height of your sunflower by the 24 August.

**Email –**  
[and.murphy@btinternet.com](mailto:and.murphy@btinternet.com)

**If you can't email please place your name, address and telephone number, along with your sunflower's height in the box outside 15 High St Warboys.**

We will match up all Sunflowers with their entry forms, and the highest ten will get a visit from the Judge to check the measurement and decide the winner and runner ups. The winning entry and runners up will be mentioned in the next Diary along with a photograph of the winning gardener and their prize-winning sunflower. Good luck everyone
