Published by Warboys Community Association Printed by Parrot Print, Ramsey

## Editorial

It's hard to believe that we are now in April and that Easter has been and gone. Hopefully now it is feeling more like spring we will be able to get out more and enjoy some sunshine without getting rained on.

Planning for our May Day Fete is going really well. We look forward to welcoming you on the day – just make sure you bring decent weather with you. Have a look at the poster insert in the Diary and also go to page 5.

### CHANGES TO GREEN BIN SERVICE

The Council would like to politely remind residents that the Huntingdon District Council's (HDC) new Green Bin Subscription service comes into effect on 1st April. If you haven't yet signed up for the service and you would like to you can visit their website <https://www.huntingdonshire.gov.uk/bins-waste/garden-waste-subscription-service/>. For more information about alternative ways of disposing of green waste, including composting tips go to **pages 2 and 4**

### CONGRATULATIONS TO WARBOYS TOWN FC 1<sup>ST</sup> TEAM

Warboys Town 1<sup>st</sup> Team have won through to yet another Cup Final. They will be playing Oakham FC in the Peterborough Seniors Cup Final. The match will be played at the Peterborough United ground on Friday 17 May. Kick off 1915. The club are hoping to organise a coach to take players, committee and supporters to the game

**WE WISH THE TEAM GOOD LUCK**

## WARBOYS PARISH COUNCIL NEWS

### NEW PARISH CENTRE

The construction works for the new Parish Centre are well underway with the foundations for the building starting in early April. Due to the nature of the piling work to be conducted it may cause some noise disruption throughout the village, however this stage is anticipated to only last 4 days. We apologise in advance for any inconvenience this may cause. Please be advised: Due to construction work taking place at the rear of the current Parish Centre, the car park is now closed.

### CHANGES TO GREEN BIN SERVICE

From 1st April only green bins with the subscription sticker on will be collected on the allocated collection dates. There will be no change to the current collection day, however **food waste will no longer be accepted for green bins and should instead go in grey bins**. For residents opting out of the green waste bin service, HDC offers the following options:

- HDC have implemented a Saturday freight service for residents to take their green waste to be collected. You can find a copy of the schedule on the Warboys Parish Council website and the HDC website.
- Anyone within the District can go to dispose of green waste at these scheduled collections, however there are currently none specifically allocated to Warboys.
- Warboys Parish Council is in the process of applying for some community bins to be located in the village for all residents to use. Once the Council has found suitable locations for them, we will advise members of the parish accordingly.

For details on how to dispose of your green bin if you are not using the service, you can visit the HDC website and complete their online form:

<https://www.huntingdonshire.gov.uk/bins-waste/garden-waste-subscription-service/>

We have been advised by Huntingdon District Council that due to this initiative being early in implementation all of the scheduled services will be reviewed depending on usage and feedback from the community.

### WARBOYS ALLOTMENTS

The Parish Council currently has several full and half plots available for rental.

Allotments offer a fun and cost-effective way to grow fresh produce and connect with others who share a passion for gardening. It's a great opportunity to discover a new hobby, so why not give it a try? Interested individuals can contact the Parish Council Clerks for information on plot sizes and fees.

### Parish Council meetings

Don't forget all are welcome to attend our monthly Council meetings with the next date set for 7pm 8 April and the Annual meeting of the Council at 7pm on 13 May. Both will be held in the Warboys Parish Centre.

The agenda will be posted on village notice boards the Tuesday before and on the Parish Council website

[www.warboyspc.info](http://www.warboyspc.info)

### ANNUAL PARISH MEETING

To be held on  
7.30 pm Wednesday 17 April in the  
Parish Centre

*All are welcome to come along*

### PUDDOCK ROAD PROPOSAL

The Parish Council were recently made aware of an application by County Highways to close the single-track section of Puddock Road.

Following the recent full Council meeting, County Councillor A Costello was in attendance to reassure members that she is in discussions with Highways to ensure that this vital access way is kept open. She stressed that the cause is important to her and she wanted to ensure that the safety needs for users were met, whilst still providing the integral access for the local communities. Warboys Parish Council have advised her that they will support her in any way they can.

### THE 80<sup>TH</sup> ANNIVERSARY OF D-DAY

is fast approaching, and a will be marked by the WI's much anticipated evening of live 1940's music and dancing planned for Saturday 1 June. [see page 8],

Additionally an event is scheduled for the 6 June to commemorate this historic milestone as part of the national celebrations. A service will take place at St. Mary Magdalene Church, followed by a beacon lighting at 9.15pm. We are looking forward to Warboys Voices joining us for this occasion. Stay tuned for more details, which will be shared soon on the Parish Council's website ([warboyspc.info](http://warboyspc.info)), Facebook page, and village notice boards.

## ROY REEVES

**A special event was held on Monday 25 March to confer the status of Freeman of Warboys on Roy Reeves.**

***Here are some extracts from his citation***

Roy's work with the Council started on 1 January 1996, being appointed to the post of Clerk and Roy retired in November 2023. Some of the highlights and challenges associated with his 27 years as Clerk to the Parish Council include

- ♣ Attendance at more than 800 meetings of the Council and committees resulting in more than 12 volumes of minute books.
- ♣ Supported and guided at least 45 members of the Council and 6 chairmen, plus 11 handymen and two cleaners.
- ♣ Guided the Council through the purchase of the open spaces at the Pathfinder Way, Farriers Way and Orchard Close estates, as well as Onyetts Field.
- ♣ The number of playgrounds grew from one at Adams Lyons to three including Jubilee Park and Orchard Close. Well over £200,000 has been spent on play equipment for those playgrounds.
- ♣ over 450 houses have been built in Warboys and the population increased by more than 16%.
- ♣ The number of allotments has increased from 18 to 50.
- ♣ In the days of the Village of the Year competition, Warboys won the Cambridgeshire title 3 times (together with numerous categories), reaching the final in London in 2000. The Fairhaven Trophy remains in situ in the High Street, although currently being repaired, as Warboys was the last winner of the Cambridgeshire title when the competition closed.
- ♣ When Roy took up post, the Council's reserves amounted to about £20,000 plus £64,000 that the Council had received for the sale of three building plots in Fenton Road. On his retirement, the Council's reserves stood at £845,000 and the Council still has one of the smallest precepts of the larger parish councils in Huntingdonshire.
- ♣ Over half a million pounds in grants has been obtained from various sources for the replacement Parish Centre, purchase of land, play equipment, environmental improvements and repairs and maintenance.
- ♣ Constants have been the landfill site and prospective developments in the village. The landfill site opened for tipping about 3 months after Roy started with planning permission for 5 years during which time it was to be filled and landscaped with sheep grazing on it. In practice, after 27 years, it's still not finally closed. The Parish Council was also instrumental in stopping the tipping of hazardous waste at the landfill site which had been carried out without planning permission having been granted. Regular reviews of the Huntingdonshire Local Plan and Cambridgeshire Minerals and Waste Plan have resulted in constant battles against proposals for the village
- ♣ Cuts in County and District Council budgets have created new challenges as more enquiries are now directed to the Parish Council and it's become harder to get the County and District to maintain services.
- ♣ When Roy started, his contract of employment said 17 hours per week These gradually increased over the years to 24 per week but most weeks, he worked in excess of those hours without pay as a contribution to the village.

Joyce, Roy's wife, has been an invaluable support throughout Roy's time as Clerk. She did the accounts for all those years (without pay), answered the door and phone enquiries, handed out keys, took payments, wrote receipts, and much more.

**We have been extremely lucky to have had Roy as our Clerk for 27 years and we thank him for all his hard work over the years. We wish Roy and Joyce a happy and enjoyable retirement.**

## GREEN WASTE COMPOSTING TIPS and OTHER “BITS”

Climate &amp; Environment Group

### Want to start home composting but not sure where to start?

With the free garden bin service from Huntingdonshire District Council ending on 31<sup>st</sup> March, you may be wondering what to do with your green waste if you have chosen not to sign up to the new subscription service.

#### A ‘recipe’ for compost...

- ♣ A container or compost bin
- ♣ Green waste – kitchen waste, grass cuttings, coffee grounds, leafy parts of plants
- ♣ Brown material – woody stems, twigs, dried leaves, straw, paper, cardboard
- ♣ A corner of the garden/outside space
- ♣ Time taken – 4 to 6 months plus.

Mix green waste with brown material in equal parts - shredded material works best – let it sit for 4-6 months turning occasionally. Use when crumbly and black.

Home composting is a great option, saving money, resources and helping to improve your soil. Your compost heap can be as big or as small as you like, depending on your needs. We’ve even seen successful micro composts put together in a garden bucket!

**Tip** - Young annual weeds are fine to add as long as they have not gone to seed. But do not add perennial weeds, because they can survive in the heap and multiply once you put the compost back on the soil.

**Tip** - Avoid any grains (bread, couscous and so on), cooked food, meat or fish to avoid attracting vermin.

### RED TILE WIND FARM TRUST FUND APPLICATIONS INVITED

The Trust is a company limited by guarantee made up of three councillors nominated by Warboys Parish Council, one each by Ramsey and Chatteris Town Councils and one by Huntingdonshire District Council. The Trust exists to distribute grants for local projects from funds provided by EDF Energy from the 12 wind turbines at Red Tile Wind Farm and from Mr and Mrs H Whittome from the single turbine at their farm at Tick Fen.

- Red Tile grants are available for applications that promote renewable and efficient energy or conserve or improve the environment in the Parish of Warboys and each of the parishes that share a boundary with Warboys, including Old Hurst.
- Fenland Windfarms grants are available for applications that promote facilities and opportunities for the local community to engage in any type of sporting or active pursuit or any activity that promotes a healthy lifestyle in the parishes of Warboys and Ramsey.

Grants of over £200,000 have been distributed from the Red Tile Trust since its formation and £35,000 from Fenland Windfarms.

The Trust meets three times each year to consider applications and an application form and further information can be obtained from the Secretary, Roy Reeves at 2 Blenheim Close, Warboys or 01487 823562 or [roy.reeves@hotmail.com](mailto:roy.reeves@hotmail.com)

**Tip** – Ensure you add enough brown material, particularly when adding grass cuttings, and keep air flowing through it by turning it regularly (try a fork, trowel or spade) to keep your compost smelling sweet and not stinky!

After 4-6 months, you’ll have some fabulous material to add to your soil and help your plants and veggies thrive. Let us know how you get on!

Warboys Climate and Environment Group will be producing more helpful information on composting on our webpage [www.warboyspc.info/environment](http://www.warboyspc.info/environment) and on the group’s Facebook page (just search Warboys Climate Environment Group). And, if you’d like to be part of the team’s work, just send us a message.

## NEWS FROM THE MOAT HOUSE SURGERY

### Contacting the Moat House Surgery

Patients of the Moat House Surgery are encouraged to contact the surgery online. If you have a medical or admin request, please contact the surgery via our website [www.moathousesurgery.co.uk](http://www.moathousesurgery.co.uk). If you do not have access to the internet our receptionists will be happy to help you over the telephone.

If you have contacted the surgery for a same day telephone consultation, please can we ask that you remain near your landline telephone or keep your mobile phone with you. Our clinicians will try and contact you twice and if uncontactable you will need to contact the surgery again online and start the process again where you will be added to the triage list.

### PHARMACY FIRST

The new Pharmacy First initiative was launched on the 31 January 2024 and enables community pharmacies to treat the following 7 common conditions with appropriate medicines and even antibiotics if required.

Clinical pathway	Age range
Acute otitis media*	1 to 17 years
Impetigo	1 year and over
Infected insect bites	1 year and over
Shingles	18 years and over
Sinusitis	12 years and over
Sore throat	5 years and over
Uncomplicated urinary tract infections	Women 16-64 years

This new service is expected to free up GP appointments for patients who need them most and will give people quicker and more convenient access to safe and high quality healthcare.

Currently, patients in England must visit their GP to access prescription only medication, meaning repeated GP visits and delays in treatment.

Community pharmacies offer a more convenient way to access healthcare that includes support with healthy eating, exercise, stopping smoking, monitoring your blood pressure, contraception, flu and covid vaccinations.

**WARDS of Warboys are pleased to be offering this service. The pharmacist will have a conversation with any individual wishing to use the service, to make sure they meet the pathway criteria**

### New Clinical Computer System

As of the 29 May 2024 the surgery will be using a new clinical computer system called SystemOne. Although extensive team training will be carried out from the 7 May 2024, we ask that, post go live on the 29 May 2024, you bear with our team as they might be slower using the computer system than usual, until they get used to the change.

There will be a cutover period from our existing computer system to our new computer system from the 17 May 2024 to the 29 May 2024. The surgery will remain open but we will run a reduced service for repeat prescriptions. We ask that you are organised and request your prescriptions early to avoid any delays.

If you currently use online services this will be unavailable as of the 17 May 2024. If you wish to continue to use online services in the future you will be able to access this on the NHS APP from the 29 May 2024. Please note, that if you already use the NHS APP you will need to uninstall the NHS APP, download it again and re-re-register to access our new system.

### Non NHS work

If you require a letter from your GP to 'whom it may concern' please allow 10 working day for non NHS letters. There is a charge of £21.00 which requires payment on request.

All requests for medical information require completion of a subject access form which can be obtained from reception.

### Anne Kirk, Health Care Assistant

It is with great sadness that we inform you that our very dear friend and colleague, Anne Kirk, health care assistant passed away on Wednesday 20 March 2024. Anne will be sadly missed by the team and patients. Our thoughts are with her family.

## NEWS FROM OUR COMMUNITY GROUPS

### 55 PLUS

Now meeting at the Sports & Social Club off Forge Way at the new time of 2pm.

We are still meeting on the last Wednesday of the month March to September.

Members enjoyed the Social Afternoon and our favourite entertainer Charlie Chaplin.

On 24 April. Mary Tringham will be giving an illustrated talk about Warboys through the years and on 24 May there will be a Sing-along with Pat Skinner at the keyboard.

New members and guests always welcome so please come along and meet everyone

### WARBOYS FRIENDSHIP CLUB NEW LOCATION

Due to uncertainties about the timings of the new parish build and demolition of the current building, we have **relocated to the Sports & Social Club, at the sports field.** – main room. We still meet on Thursday mornings from 10-11.30am. Since our last entry, we have had a busy time with our usual activities and a Karaoke session and our regular fish & chip lunch.

We know that there are some of you feeling lonely or depressed, so why not try out the Friendship Club. We do our best to keep spirits up with friendly chats and activities. plus homemade cake. All ages are welcome, so why not pop in for a tea or coffee, as well as a biscuit, for £1 and maybe you'll bump into someone you know and be able to catch up on all the goings on. We are open to all ages, men and women, although the men are outnumbered (at the moment) they are very welcome, in fact the more the merrier.

Future Events planned include an Easter Bonnet/Basket Competition (with Hot Cross Buns); a games morning, a quiz, bingo, Wordsearch competitions. In addition, we will be going to Seasons at Chatteris for lunch after a meeting in April.

### WARBOYS CHRISTMAS LIGHTING GROUP A LITTLE MORE VILLAGE SPARKLE?

The Christmas Lighting Group is preparing for the great switch on event 2024, with plans for new stalls to further boost our fundraising capabilities and looking into new more cost effective ways of erecting our village lights.

The group is keen to add more lighting displays, this includes one for the Spar shop who are funding a new addition and adding Christmas cheer to more street lighting columns and new column displays on Mill Green up to the High St opposite the Royal Oak.

In order to place new lights we need sponsors to be able to fully fund the lights and their installation costs. Each light costs £450 ex VAT and installation (timers & power) will be around £750 ex VAT, if you can help fund part or all of a new Christmas light personally or on behalf of a business, please let us know. The Lighting Group also hope to replace the curtain lights on the Clock Tower (£2,485 ex VAT) and we are seeking grant funding for this - fingers crossed!

For more village sparkles!  
Contact [Bernitta@thewatersidepractice.co.uk](mailto:Bernitta@thewatersidepractice.co.uk)

The group is also preparing for the May Day Fête frivolities on 6 May ... look forward to seeing you there!

### FRIENDS OF WARBOYS LIBRARY {FOWL}

We had our first book sale of the year at the beginning of March, it was lovely to see so many of you there, we raised a good amount for the Friends to keep supporting the Library. As the weather had been so wet, we decided to hold the book sale indoors – so obviously, the weather on the day was lovely!

We have a brand new website, where you can find everything, you could possibly need to know about the community; upcoming events, the village directory, community news, Warboys history. You name it, it's there. Please have a browse at [www.fowl.org.uk](http://www.fowl.org.uk)

Unbelievably, the Friends of Warboys Library celebrates its **20<sup>th</sup> birthday** this year. There will be several events throughout the year, but our main "birthday" week is going to be the Whitsun Bank Holiday week. There will be cake in the library each day it is open (not the same cake, just to reassure you!), a display or photographs, and on Thursday 30 May we have children's crafts and a children's entertainer. Please do bring your children along to take part, we look forward to seeing you there.

And finally, if you have some spare time and would like to become one of our volunteers, or join our committee, we're always after fresh blood – sorry, that should be new blood! Please get in touch via the website or our Facebook page if you would like to join us.

## NEWS FROM OUR COMMUNITY GROUPS

### WARBOYS & DISTRICT DAY CENTRE

Here at the Day Centre, we have had a busy and enjoyable couple of months.

We celebrated (under the direction of Claire, one of our volunteers) the Lunar New Year in style! First off, we started with a Jelly Tot chopstick competition, despite many of us having never used chopsticks before, we quickly acquired and honed our skills (amazing what the lure of Jelly Tots can do). As expected, everyone thoroughly enjoyed the competitiveness of the task! Next up was an introductory session to Tai Chi, led by Jane also one of our volunteers, followed by a lunch of popular and traditional Chinese dishes, which were all attacked with gusto, although the chopsticks were abandoned at this point. This lively and interesting day was rounded off by a performance by the St Ives Uke Troupe, who, as ever were very entertaining and engaging.

As always, we had a variety of other activities going on, including entertainers -James LeBec, The Harmonica Guys and Amanda the Singing Gardener, who was as lively and entertaining as usual. She is of course thinking of how we can work on the success of our 2023 pantomime and is developing and discussing ideas for the end of 2024!

Sam our tabletop Olympics guru has been a couple of times and organised two very entertaining and of course competitive sessions. Activities included skittles, bowls, air hockey, and flip frog. It is always good to see everyone participate wholeheartedly, despite their sometimes reluctance, or lack of skill, one thing for sure is that the laughter muscles certainly get a good workout! We've also had a Blankety Blank session led by the multi-talented Clare. Despite some reservations, it didn't take long for everyone to get involved, and the sheer enjoyment on some members faces clearly was a sign of its success.

There were also two particularly noteworthy news items. February saw the commencement of work on the new Parish Centre. Many of the local residents will be aware that this ambitious project has been in the planning for some time, but now it has started, we are all excited, and can't wait (like all other users of the Parish Centre) to see the completed project. The plans we have seen, show a bright, flexible, modern and energy efficient building – we can't wait!

Secondly, we were really pleased to learn that our grant application to Cambridge County Council was successful, which means that our core funding is secured for the next 3 years. This means that we are now able to reach out to our community for anyone who would be interested in becoming either a member or a volunteer, We would

love to hear from you and would welcome you for an informal visit

I look forward to meeting you, Wendy

## NEWS FROM OUR COMMUNITY GROUPS

### PUSS IN BOOTS PANTOMIME AND WADS AGM

Wads would like to say a huge thank you to the Warboys Community for again coming along and supporting their pantomime Puss in Boots in January. Almost a complete sell out yet again, and the audiences were great. It always makes our job that little easier when you all join in with the usual panto participation.

Feedback from the panto was mainly fantastic, we had such a great cast, with some fabulous young talent. The stage effects and scenery are improving each year, and our choreography was improved brilliantly by our new Choreographer Emma. On opening night we had a sound issue and our microphones on stage couldn't pick up our quieter actors, but on Saturday morning all was fixed. We are also hoping to improve on our old sound board for 2025's pantomime as it is a very old piece of equipment.

Our AGM will be on Thursday 18 April, at Warboys Primary Academy at 7pm. If you are interested in joining Wads, then please come along to the AGM, and meet up with us and find out a little about what we do. Anyone nine years and above would be made more than welcome. We are particularly looking for someone who may be interested in learning to take on our lighting from our fabulous outgoing lighting technician John. We also have a shortage of Chaperones, to look after our younger members at rehearsals and performances. And finally male actors! We would love to have more male actors join us.

If this sounds like this could be your new hobby in the village, come along to the AGM or give Andrea Murphy a phone call on 07778 672447 after 5pm for information.

Thank you to everyone for continuing to support Wads as we go on from strength to strength. Many thanks to Warboys library and Friends of Warboys Library for allowing us to sell our tickets on Saturday mornings, it has really become very popular with those in the village that cannot buy tickets online. Our next pantomime will be in January 2025, the first announcement will be in the Warboys Diary, so watch this space!

### NEWS FROM THE ROYAL OAK

Well we've recently had a cracking couple of days and we want to share our good news with you!

A few weeks ago we received an email from the BII (British Institute of Innkeeping) to say we had been nominated for the Licensee of the Year Award 2024, which amazed us, but we dutifully filled out the application form and today we were notified we have reached the Quarter Finals!!

And in mid-March we had a visit from our lovely Admiral Taverns Business Development Manager and we have received two more awards! The first is related to our 100% line cleaning record and great beers. The second was because we have won their regional Community Pub Award and have been put forward for their national award.

We want to thank all our amazing customers who make coming to work a pleasure and for embracing us for the last two years. Without you guys we wouldn't have the warm and welcoming pub that we have - the way you all embrace new faces when they come in is worth its weight in gold.

Cheers to an amazing 2024!!

**WARBOYS LOCAL HISTORY SOCIETY**

**Mystery of the Missing Page(s)**

History Society Chairman, Brian Lake, explained the mystery behind the missing pages from the Warboys Parish Register, a story involving a family's enormous wealth, claimants to a baronetcy, forged documents, the falsification of parish records and an attempted fraud.

It relates to John Leman, who was born in Beccles in 1544. Leman was a butter and cheese merchant who also became a member of the Guild of Fishmongers. He subscribed to the East India Company and in 1616 became the Lord Mayor of London. His wealth enabled him to purchase many estates and properties including, in 1622, Warboys Manor. On his death in 1632 his estate was valued at £450 million (all figures are today's values), sufficient to found the John Leman School in Beccles and also give £41 million in cash to various individuals.

The primary beneficiary was his nephew William, who bought a baronetcy for £50,000. The title passed down the family line until the death of Tanfield Leman in 1762, the last heir. Similarly, Warboys Manor remained within the family until 1809, but with the death of its owner, William Strode, his estate and properties were sold. However, disputes concerning items in the sale of his Manor of Northaw resulted in his will being put into Chancery. These issues caused various unknown people to 'establish' an heir to the baronetcy, in an attempt to take control of the Leman estates. They chose John Leman the son of Philip Leman, rector of Warboys to create a new Leman lineage to promote their claims. The pages were removed from the Parish Register to hide John's death.

To create this false pedigree, Nottingham parish registers were 'modified' by changing names (Battersby to Hattersley, and Jane to Frances) to create a link to the marriage of Frances Leman, the daughter of Philip Leman to William Battersby in Godmanchester. Additionally, a will was forged purporting to show the connections between the 'new' family members. which enabled John to submit his claim to the baronetcy in the Scottish Courts. Shortly after it was legally ratified John died, resulting in another member of the family, Edward Godfrey claiming the right of succession. That was granted in 1842, but its legality was investigated by the College of Arms. Although they exposed the changed names and forged will, no action was taken.

Later, in 1853, seven men established the Leman Estate Fund, selling shares for £428 (10 shillings, then), alleging that once the claim in Chancery was settled, they could benefit from a share of between £4.5 - £450 million. However, suspicion that the scheme was bogus led to the involvement of the Home Office and in December 1853, the group were charged with attempted fraud. Court records give no details of the outcome, but this event finally concluded the complex series of deceptions and scams that were discovered from Brian's research into the missing pages of the Warboys Parish Register.

## MORE NEWS FROM OUR COMMUNITY GROUPS

**Warboys Primary**  
Academy

We've had a lovely Spring Term at Warboys Primary Academy. The children (and staff!) enjoyed dressing up for World Book Day and we had some brilliant costumes! We all enjoyed a day of literary-based activities and had lots of fun.

The children all had a great time during our whole-school Enrichment Week. Our Year 5 and 6 classes were visited by Viking re-enactors, Clan Wulfhar. They enjoyed learning all about Viking life and took part in a brilliant battle as well as getting messy making clay pots, supported by A & M Potters in Ramsey!

We also enjoyed a visit from animal-handling workshop, Zoolab during Enrichment Week. The children were all very brave and gentle meeting exotic animals such as Honey the Gecko, snakes and tarantulas!

As well as Enrichment Week, we've enjoyed some lovely topics this term. Our Tigers class learned about the water cycle, with some hands-on lessons recreating Noah's Ark and a science experiment creating condensation, while our Pumas class learned all about rainforest animals, art and patterns.

Our Seahorses class had a big focus on Design and Technology and looked at how wheels and axles work, before making their own moving vehicles. They also made their own traditional tales inspired puppets. They took a lot of time and care making them and they looked amazing.

Our youngest EYFS children explored space for their topic work, learning about different planets and what astronauts do in space. They also learned about different places on planet Earth, including the Barrier Reef, China and Australia.

We're looking forward to some warmer weather in our summer term and taking in part in some exciting outdoor activities and events. You can keep up with all our news on our Facebook page @WarboysPrimaryAcademy and on our Twitter/X feed @PrimaryWarboys.

Yard Sale**

Email us at [underfivesfundraising@hotmail.com](mailto:underfivesfundraising@hotmail.com) to get your booking form to be featured on the map for the Warboys village yard sale

Pitch fees are £5.00

The poster features a central illustration of various household items including a lamp, a globe, a teapot, a chair, and a table, with a sign that says 'YARD SALE'.

### WARBOYS UNDERFIVES PRESCHOOL

Our children have recently been enjoying making their own shadow puppets and using torches to put on performances for their friends. They have also been dressing up as firefighters and talking about what they have to do. The dark den is back in situ and proving ever popular with the children using timers to take turns and share fairly.

Our committee are currently hosting an Easter hamper raffle and plans are afoot for our yearly Welly Walk around the sports ground on Friday 24 May. Make sure the annual Warboys Village Yard Sale is in your diaries for Sunday 9 June - you can join your neighbours in our village-wide car boot sale from the comfort of your own front garden for only £5 per home. We'll be set up on the High Street and it makes for a great day out around the village for sellers & bargain hunters alike. Email [underfivesfundraising@hotmail.com](mailto:underfivesfundraising@hotmail.com) to get involved!

Behind every community group sits a group of willing volunteers, juggling family, work, childcare and still donating a little of their time. Volunteering is rewarding for both the group & individual and is a great way to get to know others in the village. If you would like to know more about their role or get involved pls email AnnMarie on [chair\\_wu5@yahoo.com](mailto:chair_wu5@yahoo.com)

### WANT TO EXPLORE THE LOCAL COUNTRYSIDE?

**Warboys Walking Group** has been organising footpath walks in the area for over 30 years. We are a very informal and friendly group; there's no membership requirement, just turn up and join a walk to enjoy the local countryside and some gentle exercise.

Walks are usually on the first Saturday and third Sunday of every month. with Friday evening walks on alternate weeks during the summer. The walks for April and May with the start and projected finish times are shown in the table below.

The walks marked \* will start away from Warboys but the time shown is the meeting time in the High Street near the Clock Tower where lifts can be organised or directions to the starting point will be given.

Further details and a copy of the programme of walks until March 2025 can be obtained from Roy Reeves on [roy.reeves@hotmail.com](mailto:roy.reeves@hotmail.com) or 01487 823562.
